

Committee Members

Instructions

There will be six committees formed to develop and implement each of the goals comprising the Music Commission's Strategic Plan. The Strategic Planning committee will serve as an advisory team to help goal committees and their chairs implement their objectives.

The Committee Name will be the title of the Goal you are implementing. For example, the 6th Goal of the Strategic Plan is titled, 'Development' – this will also be the committee name and the Strategic Goal # will be 6.

Use the form on the following page to list your committee members and their roles on your team.
