

Status Update

Instructions

Each committee chair will provide a status update at all Music Commission public meetings. The forms included in the appendices of the Strategic Plan will be submitted for this purpose. Not all forms will need to be submitted at each meeting, depending on the amount of progress made from meeting to meeting.

Submit the form on the following page when you present your bimonthly status update to the Music Commission.

"The rapidly evolving global economy demands a dynamic and creative workforce. The arts and its related businesses are responsible for billions of dollars in cultural exports for this country. It is imperative that we continue to support the arts and arts education both on the national and local levels. The strength of every democracy is measured by its commitment to the arts."

~ Charles Segars, CEO of Ovation
